WHEREAS, in the attached letter of May 30, 2013, MDOT has requested an amendment to the FY 2013-2018 TIP to add a total of \$4.3 million in DOD Office of Economic Adjustment grant funding to fiscal years 2014 through 2018 for intersection improvements to MD 355 between Woodmont Avenue and South Wood Road/South Drive; and to add \$148,000 in Job Access and Reverse Commute (JARC) funding and \$613,000 in New Freedom funding to FY 2013 for those transit programs, as described in the attached materials; and

Dear Chairman York:

The Maryland Department of Transportation (MDOT) requests one amendment to the State Highway Administration (SHA) portion and two amendments to the Maryland Transit Administration (MTA) portion of the FY 2013-2018 Transportation Improvement Program (TIP) as described in the attached memos. The SHA amendment is needed to reflect the addition of a \$4.3 million grant from the Office of Economic Adjustment and to break out and identify the MD 355 project (from Woodmont Avenue to South Wood Road/South Drive) as a new project. The MTA amendment is needed to reflect the addition of SAFETEA-LU FY 2013 funding for the Job Access Reverse Commute Program (Section 5316) and the New Freedom Program (Section 5317). This action does not require an air quality conformity analysis. The amendment details are summarized below and in the attached memos.

TIP ID#	Project	Phase	Amount of New Funding
6122	MD 355 from Woodmont Ave to South Wood Rd / South Dr	PE, CO	\$4,300,000
3464	Job Access Reverse Commute	Other	\$148,000
6125	New Freedom Program	Other	\$613,000

MDOT requests that these amendments be approved by the Transportation Planning Board (TPB) Steering Committee at its June 7, 2013 meeting.

The revised funding status will not impact scheduling or funding availability for other projects in the current TIP, which continues to be fiscally constrained. The cost does not affect the portion of the federal funding which was programmed for transit, or any allocations of state aid in lieu of federal aid to local jurisdictions.
